

SoloEncore

**MORE CHOICE MORE STYLE
 FOR LESS COST**

Introducing the Solo Encore LX

The high specification Solo Encore LX is specifically designed to meet the modern office requirement for a compact beverage machine that combines stylish good looks with wide menu choice.

Coffee lovers need look no further than the LX model for authentic Italian-style bean-to-cup coffee including cappuccino, café latte and double espresso. If your site demands wider menu choice, the Solo can offer two instant coffees (regular and decaf) alongside freshbrew tea, chocolate, soup or perhaps even low cal chocolate? The drink options are almost countless!

- Choice of instant, freshbrew and bean-to-cup models
- Drinks like they taste "at home" with adjustable strength, whitener and sugar levels
- Café style drinks menu with clear drink descriptors
- Ingredient pulsing ensures consistent mixing and optimum drink quality
- Up to two chilled still or sparkling flavoured drinks
- Optional UV and Brita filter kit removes any worries about mains water quality
- No-cup option allows customer to use their own cup or mug
- Optional hot water rinse hose - routine cleaning made simple
- Designed and manufactured in the UK

complete
Offer a one-stop
refreshment centre
service

Offer bean-to-cup coffee, freshbrew tea, chilled water and a wide range of snacks and foods from the Solo Encore LX, SnackPoint Duo and Easy5000.
